LETTER OF RECOMMENDATION

Name - Gareth Grant
ID - Redacted for privacy
Starting Date - 19 June 2019
Ending Date - 30 November 2019

TO WHOM IT MAY CONCERN

It is with regret that I write this particular letter of recommendation because I would really have preferred this amazing young man to work with us forever. In the short time he has been at Bali Pools, Gareth has shown total commitment to his job and has truly been an asset to the company.

Gareth was placed in a leadership role from the start and has performed exceptionally well in all areas. Gareth is an honest and hardworking individual with a fantastic attitude towards life in general. Gareth is reliable, punctual and well mannered with respect in the workplace coming easily from peers both senior and junior to him. In my 28 years of being in business for myself, I have only come across a handful of individuals like Gareth with the potential to succeed at almost anything. I really believe that Gareth will go very far in his working career.

I can confidently recommend Gareth to all potential employers and invite them to verify directly with me via telephone, text or email. I can be reached on any of the following:
